Fantastic Fifty Sale

Welcome to the Fantastic Fifty sale from the Chaileybrook and Brant flocks. It has been three years since the Diamonds and Pearls Sale in which time both flocks have retained a number of high quality females allowing a significant portion of each flock to be offered once again this year.

The stock on offer from Chaileybrook today once again offer buyers the opportunity to buy from the heart of the best breeding families in the flock.

In addition, the in-lamb females have been served by a selection of the best rams available in the breed, including four imported French rams in only their second season of use in the UK.

It has been a privilege to see stock purchased at the Diamonds and Pearls sale thrive for their new owners and we are sure those on offer today will do equally as well if not better for you.

In the last three years, females from Chaileybrook have again been to the fore in the show ring, winning both shearling ewe and ewe lamb classes at a number of events, including winning the shearling ewe sections at both the 2015 and 2016 National shows, no mean feat considering the entry in 2016 stood at more than 30 gimmers.

In 2017 a shearling ewe sired by Chaileybrook French Connection upheld this record, winning the class at the National Show for Jessica Middleditch and standing reserve champion to her paternal brother.

Our 2016 show gimmer, Chaileybrook 15/0010 was female and reserve overall champion at the 125th Anniversary National Show as well as being reserve interbreed at the Royal Bath and West Show and breed champion at Royal Three Counties Show on her only three outings.

In addition, the flock took the reserve overall championship award at the 2015 National Show with 'Tadpole' our homebred stock ram and sire of a number of lots catalogued for this sale.

In the sales ring the flock has enjoyed continued success, taking the female championship, reserve overall championship and reserve male championship at the Society's premier sale in 2016, along with the top ewe lamb and ram lamb prices on the day.

In 2017 the flock took the male and reserve overall championship at the Premier Sale, Worcester, taking the top three prices in the shearling rams and recording the highest average in both the shearling rams and ram lambs.

Indeed, testament to the quality of the stock on offer from both flocks today is the male champion from Worcester earlier this year, Guardian 16/0047. He is a son of Brant 12/0124 and out of a Chaileybrook ewe bought by the McKeague family at the Diamonds and Pearls Sale three years ago.

All stock in the sale are MV Accredited and Chaileybrook ewes were synchronised and served on 6th and 7th September and are on the Heptavac P+ system and have been Toxovaxed. Yellow service marks relate to first service and green to second service. First service lambs would be expected from 1 February and second service from 17 February. Scanning results available on sale day.

The ewe lambs are all born in February and were shorn bare in early August. They have been grown on grass alone through the summer and will make tremendous shearlings next summer.

Haulage can be arranged to all parts of the UK and any sheep purchased can be returned to either vendor's premises for onward transport at the buyer's risk.

Finally, I wish you all well with your purchases and hope Chaileybrook females bring you as much pleasure and success as they have me.

Fantastic Fifty Sale

Along with Jonathan it gives me great pleasure to welcome you to Newark for this truly unique offering of Southdown females in the Fantastic Fifty Sale.

The last three years have seen the Brant flock continue its evolution, including the introduction of new service sires and the retention of exceptional females.

Throughout my time breeding Southdowns I have sought to breed a correct sheep suited to both the pedigree and commercial markets. This continues to be the focus of the flock as does the ability of ewes to maintain condition from grass alone and ability of their lambs to thrive off milk and grass.

Over the years the flock has enjoyed much show success, including winning the breed championship at the Royal on two separate occasions and numerous other breed championships, as well as regularly winning the medium section of the Society's flock competition.

While recent years haven't seen the flock in the show ring much an exception was made for the 125th Anniversary National Show and the flock fared well, taking second with a ram lamb and third with a shearling ewe, demonstrating the potential in the flock.

In the sale ring Brant rams were in demand at the Premier Sale, Worcester, this year and Brant breeding was behind the male and reserve overall champion at the same sale.

The ewes on offer today come from the very best breeding lines in the Brant flock and represent the pinnacle of more than 30 years of breeding for fleshing, correctness and character.

I have no doubt that any of the females on offer today will thrive wherever they go and leave progeny to enhance and develop any flock.

Care and attention has been taken to match females with service sires to complement them and ensure their lambs offer the very best potential for their new owner.

Brant females were served from 10th September onwards. Service and scanning results will be available on sale day.

I look forward to seeing you at the sale and to seeing these females on offer go on and deliver for their new owners.

G Sire: Chaileybrook 09/0002 M54079

Dam: Brant 12/00115

G Dam: Brant 03/837

A great Sarkozy daughter with style and fleshing, bred from a Brant ewe which is in turn by the noted Chaileybrook 09/0002, one of the top performance sires of his generation which bred well in the All Saints flock. Maternal brother was one of the pick of the 2017 ram lambs.

G Sire: FR20021 70098

Dam: Golden Valley 10/00039

G Dam: Ridings 05/0076 71619

Sired by 'Sarkozy' who needs no introduction this one is ET bred from the outstanding Golden Valley ewe purchased at Daniel Bunting's dispersal. She is easily the biggest Southdown we've seen. This one is a full sister to Chaileybrook 16/00033, top priced male at Worcester Premier Sale 2017 as well as being a maternal sister to Chaileybrook 17/00015, first prize ewe lamb Royal Bath and West 2017. Full sister to earlier lots.

Benoit 400036 - 'Percheron'

Without a doubt the best ram we have seen in France in more than 20 years of travelling there to see Southdowns. An exceptionally powerful, correct tup with length, flesh and breed character. Simply outstanding.

Benoit 50058 - 'Breton'

A maternal brother to Percheron, this ram carries much of his brother's style and presence, with true Southdown character and a carcass to match. He has left a great crop in his first year and is sure to breed well with any female he meets.

Thomas 500119 - 'Ibanez'

This tremendous carcass ram has left a great crop in his first season, including Chaileybrook 17/00012, first prize ram lamb Royal Bath and West and sold to Goodwood Estate at the Premier Sale, Worcester. Leaving great males and females with exceptional style and depth of body.

Benoit 50020 - 'Macron'

The pick of the Benoit lamb crop in 2015, this clean, long ram has a real hardness of flesh and depth of loin that made him stand out from his peers. He is a highly correct stylish ram with some great females left in his first year.

Chaileybrook 17/00032

One of the picks, if not the pick, of our 2017 lamb crop this well muscled lamb is out of a full sister to our homebred stock sire 'Tadpole' and sired by Guardian 16/0047, male champion and second top priced ram at the 2017 Premier Sale, Worcester. He carries character and pedigree in equal abundance and is set to grow in to a tremendous shearling. We have high hopes for his lambs.
